Wedge

SPC Floor Tiles | Luxury Vinyl Tile

High Performance | Low Cost | Long Lasting

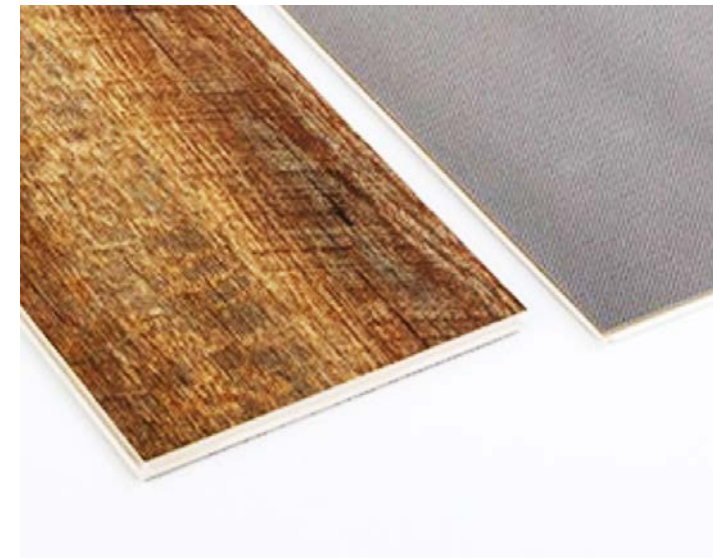

Compared to traditional WPC (Wood Plastic Composite Tiles) or laminate material, SPC (Stone Plastic Composite Tiles) are with better at dimension stability, which is a very important characteristic for flooring material, especially suitable for places where temperature difference is huge.

It is 100% waterproof, Click lock system. SPC flooring has great sound absorption performance

- ✓ Waterproof and Soundproof
- ✓ Fire Resistant
- ✓ Dimension Stability
- ✓ Scratch Resistant Super Anti-abrasion
- ✓ Slip Resistant
